

August, 2021

Open Enrollment for Heritage Health is almost here! Once each calendar year, there is an Open Enrollment time when you have the chance to choose a new health plan.

The next Open Enrollment time is 11/1/2021 through 12/15/2021.

Open Enrollment information will be coming in the mail soon. If you would like to learn more about Heritage Health, please visit our website at www.neheritagehealth.com or call 1-888-255-2605 to speak with a Choice Counselor, Monday – Friday 7:00 am -7:00 pm Central Time.

If you are happy with your current health plan it will stay the same. No action is needed.

RIGHT TO DISENROLL

As a member of Heritage Health, you have the right to disenroll from your health plan and enroll in a different health plan. You can change health plans 1) without a reason during the first 90 days you are enrolled, 2) at least once every 12 months during Open Enrollment, or 3) for cause, at any time, for the following reasons:

- Your health plan does not cover (for moral or religious reasons) a service that you need.
- Your doctor has said that some of the medical services you need must be received at the same time. But all the services aren't available through your health plan.
- Other reasons, that include:
 - Poor quality of care
 - Lack of access to medical care
 - Lack of access to providers that can manage your special health care needs.

You may call 1-888-255-2605 to make a for cause request. The State will review your request. The State will decide if your for cause reason is approved and you will receive a letter in the mail explaining the State's decision.

INCLUDED WITH THIS NOTICE ARE YOUR RIGHTS AND RESPONSIBILITIES
